Unreported Event Dates

The following events have been reported to AutoCheck without a specified date.

Event Date	Location	Odometer	Data Source	Details
Unreported			Independent Source	Vehicle Manufactured and Shipped to Dealer

† This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.
